

The Outsider's Final Project

"The Great Debate" - Seminar

Each of the 5 parts must be completed for a full grade and to participate in the final debate

1. **Questions Quick Write** - each student is expected to write five "A" level questions that will be used in the creation of their position paper. These questions will be their assigned debate points. **15 Points**
2. **Note Taking** - debate pairs are expected to work together to develop a complete set of research notes, with page numbers to support each of their debate points. **5 Points**
3. **Position Paper** - each student will write a formal Position Paper arguing for and supporting each assigned debate point. The writing for the Position Paper will be guided by a General Writing Rubric we will create. **30 Points**
4. **Debate** - each student is expected to participate in the debate, present his/her arguments clearly and support them with specific explicit or implicit information from the book. **40 Points**
5. **Reflective Piece** - once the debate ended, you will write a reflective piece about what you learned from our debate project. **10 Points**
