

Quick-write 8th Grade Seminar - "The Road Not Taken"

Please write a (double space, typed, Times New Roman/Arial/Helvetica font, MLA) 1/2 - 1 page response to the following prompt. Feel free to answer the questions in any order - think of it as a rough guideline to answer the general question of "how should we best interpret poems".

PROMPT: *What is the purpose of poems? Do you think that we should include our bias when we try to analyze or understand poems? If so, why? If not, why? And is it even possible to divide our personal bias and opinions from the text we read?*
